Haeger® Buy-Back Programme

Save thousands when you trade your old insertion machine for a new Haeger® model.

Our Buy-Back Programme is built specifically to address the challenges associated with relying on outdated equipment

- Eliminate downtime by replacing outdated, unsupported, or unsafe equipment
- Boost efficiency and safety with modern, fully supported Haeger® machines
- Save thousands with exclusive Buy-Back Programme incentives

How Our Buy-Back Programme Works

1. Trade in your old insertion machine
2. Purchase a current Haeger® model
3. Receive a €2,500 - €13,000 discount when you purchase select models

Trade-In Values

New Machine	Trade-In Value
618MSPe-5 Manual-Feed	€2,500
618MSPe-5 Automatic-Feed	€4,000
824MSPe-5 Manual Feed	€4,000
824MSPe-5 Automatic Feed	€5,500
824WT-5	€7,500
824eDrive	€8,500
824OTL-5	€9,500
824OT-5	€13,000

Keep Your Production Line Running and Your Customers Happy.

HaegerCare®

HaegerCare®
Technical Service Program

We provide support throughout the entire journey, helping you choose the right installation machine for your manufacturing needs and offering essential maintenance, inspections, and repairs. Our global presence

ensures prompt assistance, and we serve as a convenient one-stop shop for all your requests. Additionally, we maintain a large inventory of spare parts to quickly address any potential issues.
